Report of Principal and School

The Timberland High School community of parents, business leaders, teachers, administrators, support personnel, students and residents has continued to work together through our School Improvement Council to serve as the planning team for the school. They ensure that the needs of Timberland's students are being met through quality education. The council provides input for this report.

Timberland has achieved both academic and athletic successes. Timberland received a Magna Cum Laude Award of High Improvement on American College Testing (ACT) from the state and was one of 2,515 schools nation-wide to receive a bronze award for high performance based on state exams as reported in the U.S. News and World Report. The class of 2013 earned 159 diplomas including 8 Berkeley County Honors Diplomas and 3 Certificates of Completion. These numbers reflect an 8% increase in the number of students who received either a high school diploma or a certificate. The class honored 2 South Carolina State Academic Achievement Awards, 3 Palmetto Fellows, 1 South Carolina Teaching Fellows and received over 3.2 million dollars in scholarship money. Life Scholarships were awarded to 48 students. Seventy-five students were Career and Technology Completers which reflects a 10% increase over last year.

Using Measures of Academic Progress data to track student growth, we continued our HSAP campaign by offering extra help sessions in both ELA and math. We added Wildlife Management to our Agriculture Science program offerings and Principles of Engineering to our Pre-engineering program course offerings. Two students competed in national competitions for Health Occupations Students of America; one student competed at the national competition for the Future Business Leaders of America.

Our football and volleyball teams won 7-AA Region Championships in 2012. Football was the 2-A Lower State runner-up, while our baseball and softball teams made the 2-A state play-offs. Many students were selected for all-star, all-region, or all-lowcountry teams. Timberland had one student compete in the National Blue/Grey All-Star Football game in Tampa, Florida. We also had the school's first state champion in individual wrestling and he also competed in the national high school championships. We had two region coaches selected as coach of year in their perspective sport.

Timberland will continue to work diligently to become the best school in South Carolina. To achieve this goal, we will continue to work with our parents and community for more involvement in school activities. We welcome this challenge.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	70.9
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Timberland High School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
